AVISHKAR-2010-11

University of Pune students are once again showed their outstanding performance by winning the Overall Championship for the fourth time in a row in the state level Inter University Research Project Competition, **AVISHKAR**. This activity has given a momentum in inculcating research among the UG/PG/Doctoral students.

In the year 2010-2011, we are planning to organize competitions at Eleven places in three districts. It is expected that this year we will have maximum participation of projects at regional level. Larger participation will help to select the best projects for the final competition.
