

Good Day Sir/Madam!

I do hope you are doing fine today; I am contacting you regarding my Inheritance fund of US\$4.5 Million which I want to donate into your care. PLEASE ENDEAVOUR TO USE THIS FUND FOR THE CHILDREN OF GOD.

I greet you in the name of god; I am **Mrs. Maria Ebenezer** wife of Eng. Vladimir Ebenezer, CEO South Africa Gold Mile who worked with Gold and Diamond years back. I am 69years old woman widow suffering from cancer of the breast, My husband and my only son were killed years back on the South Africa plane crash April 4th 2008 and my condition is serious now and according to my doctor, he said it is obvious that I may not survive.

However, I have some funds that my late husband WILLED to me in cash sum of US\$4.5 Million. I packaged the fund and deposited it with a finance house in South Africa.

After my prayers, I was divinely led to search a lovely site in the Internet, I found your email address and I decided to contact you to use this fund for the expansion and propagation of the work of god before anything could happen to me.

Having known my condition, I decided to donate this fund US\$4.5 Million to Charity Organizations or individual that will utilize this money the way I am going to instruct.

I want a Charity Organizations or individual that will use this money to fund Orphanages and Widows, propagation of the work of god, building and maintaining the house of god through this money, which is very important to me.

Therefore Child of god, if you are honest and faithful enough to use this fund strictly for god's work, then respond back to me immediately through my private email address ([mrsmariaebezezer@gala.net](mailto:mrsmariaebezezer@gala.net)) for the details on how to get the fund.

I know that I am going to be in the bosom of the lord.

Remain blessed in the name of the lord,  
Mrs. Maria Ebenezer,
