

During our regular routine maintenance, we have noticed error in your account details, which led us to temporarily lock your account

This routine maintenance was scheduled due to the fact that an incoming payment to your account raised a red flag on our security system due to the fact that our systems noticed a mis-match in your profile details

In order to resolve this issue and continue using your account as usual, follow the link below:

<https://www.uob.com.my/>

Please note that failure to complete the restoration process may lead to account suspension

Thank you for using United Overseas Bank
