CHALLENGES AHEAD: Service, revenue and reform

Postmaster General Potter outlined to the Board of Governors three important challenges facing USPS® in the new year, saying the Postal Service™ would focus its efforts on improving service, growing new revenue and working with Congress to enact legislative changes that will create a new business model for the future. Potter called on the mailing industry to “come together and make their voices heard in the debate for change and reform.”

Potter added, “Our number one legislative priority continues to be the elimination of the requirement to create an escrow account with funds made available from last year’s Civil Service Retirement System legislation.”

The legislation asked the Postal Service for its proposals regarding the use of “savings” resulting from the act, beginning in 2006. Those “savings” would be placed in an escrow account pending congressional authorization about how they would be used. Unless the escrow requirement is changed, postage rates will have to rise even more than necessary to reflect inflation.

In other Board news, Chairman David Fineman described USPS’s efforts to enhance its financial reporting. “The 2003 Annual Report, which is posted on our Web site and distributed in hard copy, includes enhanced disclosures in the footnotes and Management Discussion and Analysis section,” said Fineman.

The Board also reelected Fineman as chairman and John Walsh as vice chairman.

CONVENIENCE IN YET ANOTHER LANGUAGE: A Customer’s Guide to Mailing now in Chinese

Make it easy and understandable and people will use it. That’s why USPS has translated its award-winning publication, DMM 100-C, *A Customer’s Guide to Mailing*, into Chinese.

There are more than 2.4 million Chinese-speaking Americans in the U.S. They represent the largest Asian group. The DMM 100-C — the third installment in the series published by Marketing’s Pricing and Classification group — will make it easier for Chinese speakers living in the U.S. to use our services and products.

The publication will be sent this month to offices with the highest concentration of Chinese-speaking customers. The DMM 100-C, along with the English and Spanish versions, can be ordered through the Material Distribution Center.

REVIVING PASSWORDS: Forgot your USPS password? Reset it on Blue

When a password escapes your mind or it’s time for a new one, let your fingers do the resetting. No need to call the Help Desk. Just go to the *ePassword Reset* link on the Postal Service Intranet (Blue) at <http://blue.usps.gov>. It’s easy for you — and saves USPS big bucks.

Currently, help desk agents get about 27,000 phone calls each month for password resets — at a cost to USPS of about a half million dollars each month. The automated password reset system last year saved over \$4 million through cost avoidance and there’s more money to be saved.

Information Technology’s automated password reset system is located under *eLinks* on the upper left of *Blue*. It’s do-it-yourself password management at the click of a mouse.

ONLINE EASE: The Wall Street Journal praises NetPost CardStore

The average American sends 20 or more greeting cards each year, according to the Greeting Card Association. Do the math. That’s a lot of writing, stamping and mailing.

Thinking of using an online greeting card service? One stands out. Just ask *The Wall Street Journal*. The newspaper gave a big stamp of approval to *NetPost CardStore*. The *Journal* tested four well-known Web sites where customers can create and send cards.

“We discovered the biggest time-saver of all on the Postal Service site,” said the paper about *NetPost CardStore*. Creating a photo card was easy. So was uploading addresses, said the *Journal*. That’s not all. “Recipients got their cards five days later, the quickest of all the services that mailed the cards out.”

Let your customers know about *NetPost CardStore*. It’s open 24/7. It won over *The Wall Street Journal*. And, don’t forget, Valentine’s Day is just around the corner.

SELF-SERVICE HELP DESK: IT info served family style. Just dig in and help yourself.

Acronyms leave you flummoxed? Don't know your slammer worm from your TRECS? Want a definition for Gold Tape or need to brush up on your e-mail etiquette? Go to Information Technology's (IT) online help desk for answers.

IT created this self-service help desk to respond to frequently asked questions from Postal Service computer users. In addition to answers, you can use the feedback form to leave questions. To check out this new Web site, go to the IT Web page at <http://it.usps.gov> and click in the *key-word* box in the upper right corner of the screen. Select *help desk self-service* from the list of options.

So, what's a slammer worm? It's a virus that disguises itself as a file sent by the recipient's network administrator. TRECS and Gold Tape? Feel free to browse the site to your heart's content. For more information about the online help desk, send an e-mail to Stephen Gibson at Stephen.E.Gibson@usps.gov.

MAKING IT HAPPEN: Plant employees work behind-the-scenes

Running backs and receivers score touchdowns, grab headlines and make the *Sports Center* highlight reels. But all that good stuff couldn't happen without offensive linemen. They're down in the trenches, play after play, getting the job done, so their team can be the best.

The same can be said about our plant employees. They operate out of the public spotlight. But without their hard work, our carriers and retail personnel — who are the public face of the Postal Service — wouldn't be able to serve their customers.

Plant employees get it done seven days a week, 24 hours a day. They work Sundays. They work holidays. They work late at night. They work early in the morning when most of us are still in bed.

They process 200 billion letters, cards, flats and parcels a year at more than 300 plants. They transport mail to 38,000 Post Offices™, stations, branches, contract stations and community Post Offices. They operate and maintain more than 12,000 pieces of automated equipment. They work with airlines and juggle schedules to keep the mail moving to distant points. And they clean and maintain those facilities so their fellow employees can keep the mail moving to a nation of 290 million customers.

Valentine's for troops

It's not too late to mail Valentine's Day packages, cards and letters to troops deployed to Operation Iraqi Freedom.

While Jan. 20 was the last day to mail packages via Parcel Post®, Priority Mail® packages and First-Class Mail® letters and cards to Afghanistan, Iraq and Kuwait will reach loved ones on time if mailed by Jan. 30.

Customers should use the service member's full name — with or without rank or rating — unit and APO/FPO address with the nine-digit ZIP Code™ and a return address. For packages, customers should place addresses on one side only with the return address in the upper left corner and the recipient's in the lower right.

The Postal Service and the Department of Defense (DoD) are reminding supporters who wish to mail bulk quantities of care items to service members unknown to them to seek alternatives that won't slow the military mail system.

DoD recommends supporting a service member's family at home or check out the programs at www.defendamerica.mil and www.operationuplink.org. For more information, contact the Military Postal Service Agency at 800-810-6098.

The Postal Bulletin — Help Us Save Paper and Money

The *Postal Bulletin* has been around for 123 years, and it's the most relied-upon, trusted source of information in the Postal Service™ today.

In the 1970s, when our nation became more concerned about our environment, the Postal Service began using recycled paper to print the *Postal Bulletin*. We have also tried over the years to print just the right number of copies to save our nation's resources.

Despite our efforts, some offices tell us that they receive too many copies. We need to do something about this.

Reducing or Canceling Your Subscription

Therefore, if you want to reduce the number of copies your office receives or if you want to cancel your subscription altogether, **send an e-mail to pbulleti@usps.gov or call 202-268-5776** (if you reach a recording, be sure to leave a message with your name, telephone number, and ZIP Code™). Please be assured that we will *not* reduce or cancel your subscription unless you ask us to do so.

As we review our subscription list, we will begin calling facilities that seem to have duplicate subscriptions. If we

call your facility, please help us determine if we can reduce your subscription.

Accessing the *Postal Bulletin* Online

Remember, each issue of the *Postal Bulletin* since 1995 is available online. To access the online version of the *Postal Bulletin*, please follow either of these routes:

- **On the Intranet:** Go to the Postal Service PolicyNet Web site at <http://blue.usps.gov/cpim>; click on *View Postal Bulletins*.
- **On the Internet:** Go to www.usps.com; click on *About USPS & News*, then *Forms and Publications*, then *Postal Bulletin*.

More Information

For more information on the *Postal Bulletin*, please see our article in *Postal Bulletin* 22097 (3-6-03, pages

5-6) titled "The *Postal Bulletin* — Your Source for Trusted Information."

We started publishing this article in early April, asking you to let us know if we can reduce or eliminate your subscriptions. Since April of this year, many of you have responded, and together we have reduced the total number of printed copies by more than 15,000!

We've come a long way, and we'll continue to evolve with the times. Our job is to make your job easier. As you know, the *Postal Bulletin* is here to serve you, as it has been for almost 125 years.

DMM REVISION

Products Mailable at Nonprofit Standard Mail Rates

Effective January 1, 2004, *Domestic Mail Manual* (DMM™) E670.5.11 is revised to reflect an increase from \$8.00 to \$8.20 for low-cost products mailable at Nonprofit Standard Mail rates. Under statutory restrictions implemented in DMM E670, products may not be mailed at the Nonprofit Standard Mail rates unless the products meet at least one of three exceptions. Under the Internal Revenue Code, a *low-cost item* is one of these exceptions.

The value of a low-cost item — the actual cost to the authorized nonprofit organization — is determined each year by the Internal Revenue Service, based on cost of living. For 2004, the maximum value of a low-cost item has been adjusted to \$8.20.

We will incorporate this revision into the printed version of DMM 59 and into the monthly update of the online DMM available via Postal Explorer at <http://pe.usps.gov>.

5.11 Products Mailable at Nonprofit Standard Mail Rates

The following products are mailable at Nonprofit Standard Mail rates:

[Revise item a to reflect a change in the maximum allowed value of low-cost items to read as follows:]

- Low-cost items within the meaning of 26 USC 513(h)(2), Internal Revenue Code. At the beginning of each calendar year, the value of low-cost items is adjusted for cost of living. Effective January 1, 2004, the standard established that the cost of such items cannot exceed \$8.20. This cost is the cost to the authorized organization that mails the items or on whose behalf the items are mailed.

DMM REVISION

Sealing of Double Postcards

Effective February 5, 2004, *Domestic Mail Manual* (DMM™) C100.2.9 is revised to clarify standards governing the content and sealing of double postcards.

The change makes clear that only the top or bottom of a double postcard, once folded, may be sealed. Double postcards may not be sealed against inspection and are examined to ensure that the reply half does not include an additional message. Therefore, sealing of the sides of double postcards, regardless of method, is not permitted.

We will incorporate these revisions into the printed version of DMM 59 and into the monthly update of the online DMM available via Postal Explorer at <http://pe.usps.gov>.

2.9 Double Cards

A double card (i.e., a double stamped card or double post-card) consists of two attached cards, one of which is designed to be detached by the recipient and returned by mail as a single card. Double cards are subject to these standards:

* * * * *

[Revise item c to read as follows:]

- c. Plain stickers, seals, or a single wire stitch (staple) may be used to fasten the open edge at the top or

bottom once the card is folded if affixed so that the inner surfaces of the cards can be readily examined. Fasteners must be affixed according to the applicable preparation requirements for the rate claimed. Any sealing on the left and right sides of the cards, no matter the sealing process used, is not permitted.

NEW PUBLICATION

DMM 100-C, A Customer's Guide to Mailing

Pricing and Classification and Diversity Development are pleased to announce the availability of DMM 100-C, *A Customer's Guide to Mailing*, the Chinese translation of the English-language version. This publication is available through the Material Distribution Center (MDC). Like the English-language DMM 100, the Chinese version is a valuable source of information for every Chinese-speaking household and home office. This publication offers our customers a tool that is both informative and easy to use.

You can order DMM 100-C from the MDC by using touch tone order entry (TTOE): Call 800-332-0317, option 2.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message (wait 48 hours after registering before you place your first order).

The relevant ordering information for DMM 100-C is as follows:

NOTICE

Clarification of the Nonmachinable Surcharge for Shrubs and Trees

Each spring, questions concerning the mailability of shrubs and trees arise. The following is offered for clarification and to promote consistency.

Domestic Mail Manual (DMM™) C050.4 states that a machinable parcel must have the following dimensions:

- Minimum 6 inches, maximum 34 inches in length.
- Minimum 3 inches, maximum 17 inches in height.
- Minimum 1/4 inch, maximum 17 inches in thickness.
- Minimum 6 ounces, maximum 35 pounds in weight.

DMM C700.2.0 describes Parcel Post® mailpieces that are nonmachinable. These mailpieces have characteristics (such as inadequate packaging) that could result in damage to the contents, other parcels, or Postal Service™ ma-

chinery if mechanical sortation is used. It also describes which pieces are subject to the nonmachinable surcharge. These items require more costly manual sortation.

These standards were not intended to include nursery stock such as shrubs and trees completely enclosed in boxes or cartons. Nursery stock placed in plastic, vinyl, or paper bags (sealed or unsealed) is nonmachinable and must be assessed the applicable nonmachinable surcharge.

DMM REVISION

Labeling List Changes

Effective January 22, 2004, *Domestic Mail Manual* (DMM™) L001, L004, L007, and L606 are revised to reflect changes in mail processing operations. Mailers are encouraged to label according to these revised lists immediately, but *must* comply with these changes no later than April 4, 2004.

We will incorporate these revisions into the printed version of DMM Issue 59 and into the monthly update of the online DMM available via Postal Explorer at <http://pe.usps.gov>.

DMM REVISION

Rulings Concerning First-Class Mail and Standard Mail Items

Effective January 22, 2004, *Domestic Mail Manual* (DMM™) G020.3.0 and P011.4.2 are revised to transfer authority for certain final agency decisions by the Postal Service™ from the rates and classification service centers (RCSCs) to the manager, Mailing Standards, Postal Service Headquarters.

The manager, Mailing Standards, will issue the final agency decision when a mailer appeals a classification or revenue deficiency decision by a local Post Office™ based on a finding that mail entered or sought to be entered at Standard Mail™ rates is required, due to its contents, to be mailed at First-Class Mail® rates. This change will not affect the authority of local Postal Service officials to issue classification rulings and revenue deficiencies or the authority of the RCSCs to consider appeals other than those described above.

Mailers should still send appeals to the office that issued the decision, accompanied by a complete copy of the mailpiece in question, in accordance with the provisions and timeframes set forth in the DMM. Postmasters receiving appeals under these procedures should continue to forward them to the appropriate RCSC. In turn, the RCSC will forward applicable appeals to the manager, Mailing Standards.

We will incorporate these revisions into the printed version of DMM 59 and into the monthly update of the online DMM available via Postal Explorer at <http://pe.usps.gov>.

3.0 RULINGS ON MAILING STANDARDS

3.1 Local Decision

[Revise 3.1 to read as follows:]

A mailer who disagrees with a classification decision by a local Post Office, whether on a pending or a proposed mailing, may send a written appeal to the postmaster within 30 days. The appeal is forwarded to the appropriate rates and classification service center (RCSC). If the appeal concerns a ruling that mail, due to its contents, must be entered at First-Class Mail rather than Standard Mail rates, the RCSC will forward the appeal to the manager, Mailing Standards, USPS Headquarters, who will issue the final agency decision. The RCSC will issue the final agency decision on all other appeals. Only the RCSC manager may rule on an appeal or initial request for a ruling on an exception to a USPS standard in the DMM.

3.2 Expedited Oral Decision

[Revise 3.2 to read as follows:]

A mailer who receives an adverse ruling from a Post Office, whether on a pending or proposed mailing, may request the RCSC manager to provide an expedited oral decision on appeal. This request for an expedited appeal may be made

by telephone. If the appeal concerns a ruling that mail, due to its contents, must be entered at First-Class Mail rather than Standard Mail rates, the RCSC will forward the appeal to the manager, Mailing Standards, who will determine whether the appeal or individual questions in the appeal can be decided on an expedited basis and, if so, advise the mailer of the decision and then confirm it in writing. For all other appeals, the RCSC manager will determine whether the appeal or individual questions in the appeal can be decided on an expedited basis and, if so, advise the mailer of the determination and confirm it in writing.

3.4 RCSC Decision

[Revise 3.4 to read as follows:]

Any mail classification decision made initially by the RCSC manager may be appealed within 15 days to the manager, Mailing Standards (see G043 for address), who has sole authority to render a decision on such appeals.

4.2 Appeal of Ruling

[Revise 4.2 to read as follows:]

Except as provided under 5.0 and E670, a mailer may appeal a revenue deficiency assessment by sending a written appeal within 30 days of receipt of the notification to the appropriate postmaster or manager in 4.2a through 4.2c. In all cases, the mailer may be asked to give more information or documentation to support the appeal. Failure to do so within 30 days of the request is grounds for denying an appeal. Any decision that is not appealed as prescribed becomes the final agency decision. Mailers may send appeals as follows:

- a. To the district manager, Finance, for revenue deficiencies for fees. The district manager, Finance, issues the final USPS decision.
- b. To the postmaster or manager, Business Mail Entry, for revenue deficiencies for postage. The postmaster or manager, Business Mail Entry, forwards the appeal to the RCSC manager serving the entry Post Office. If the appeal concerns a ruling that mail, due to its contents, must be entered at First-Class Mail rather than Standard Mail rates, the RCSC will forward the appeal to the manager, Mailing Standards, USPS Headquarters, who will issue the final agency decision. The RCSC will issue the final agency decision on all other appeals.
- c. To the manager, Mailing Standards (see G043 for address), if the RCSC manager first assessed the deficiency. The manager, Mailing Standards, issues the final agency decision.

DMM REVISION**Parcel Select Exhibit ZIP Code Revisions**

Effective January 22, 2004, *Domestic Mail Manual* (DMM™) Exhibit E751.8.0 is corrected to revise 32 ZIP Codes™, add 7 ZIP Codes, and delete 2 ZIP Codes. To qualify for destination delivery unit (DDU) rates, the parcels for these ZIP Codes must be deposited at the facility specified in Exhibit 8.0. These 5-digit ZIP Codes and facilities are different from the ones listed in the Drop Shipment Product for letters and flats. Drop shipments for the two deleted ZIP Codes must be deposited at the locations specified in the Drop Shipment Product maintained by the National Customer Support Center (NCSC) in order to be eligible for DDU discount rates. For more information about the entry standards, please refer to DMM E751.1.1c.

We will incorporate these revisions into the printed version of DMM 59 and into the monthly update of the online DMM available via Postal Explorer at <http://pe.usps.gov>.

Missing, Lost, or Stolen U.S. Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. All interim notices should be destroyed when the numbers listed appear in the *Postal Bulletin*. The

actual serial numbers consist of the first 10 digits on the money orders. Check for altered dollar amounts by holding money orders to the light.

Missing, Lost, or Stolen Canadian Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy any interim notices when the numbers listed appear in the *Postal Bulletin*. The new money order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash new style money orders **000 000 001 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to

determine which APO/FPO ZIP Codes are active and which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1630.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

RESTRICTIONS

LEGEND

PS Form 2976, *Customs - CN 22 (Old C 1) and Sender's Declaration* (green label)

PS Form 2976-A, *Customs Declaration and Dispatch Note*

AAFES	= Army and Air Force Exchange Service
APO	= Army/Air Force Post Office
Box R	= Retired military personnel
FPO	= Fleet Post Office
DMM	= <i>Domestic Mail Manual</i>
MOM	= Military Ordinary Mail
MPO	= Military Post Office
PAL	= Parcel Airlift
PSC	= Postal Service Center
SAM	= Space Available Mail
USDA	= United States Department of Agriculture

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

B. PS Form 2976-A is required for all mail weighing 16 ounces or more, with exceptions noted below. In addition, mailers must properly complete required customs documentation when mailing any potentially dutiable mail addressed to an APO or FPO regardless of weight. The following are exceptions to the requirement for customs documentation on nondutiable mail that weighs 16 ounces or more:

- Known mailers are exempt from providing customs documentation on non-dutiable letters, and printed matter weighing 16 ounces or more. (A known mailer is anyone who legally applies a permit imprint to a mailpiece. Mail with meter postage is not considered to be from a known mailer.)
- All federal, state, and local government agencies are exempt from providing customs documentation on mail addressed to an APO or FPO, except for those APOs/FPOs to which restriction B2 applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B1. PS Form 2976 or 2976-A is required. Articles are liable for customs duty and/or purchase tax unless they are bona fide gifts intended for use by military personnel or their dependents. When the contents of a parcel meet these requirements, the mailer must endorse the customs form, "Certified to be a bona fide gift, personal effects, or items for personal use of military personnel and dependents," under the heading, Description of Contents. **Exceptions:** All other exceptions listed in restriction B above are applicable to this restriction.

B2. All federal, state, and local government agencies must complete customs documentation when sending mail addressed to or from this APO or FPO weighing 16 ounces or more.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM C024.1.1C. This restriction does not apply to firearms mailed to or by official U.S. government agencies. The restriction for mail to this APO/FPO ZIP Code does not apply to firearms mailed from this APO/FPO ZIP Code, provided ATF and USPS regulations are met. Antique firearms are a separate category defined in DMM C024.2.0 and ATF regulations; they do not require an ATF form.

F1. Privately owned weapons addressed to an individual are prohibited in any class of mail.

F2. Importation of firearms is restricted to one shotgun and one single shot .22 caliber rifle per individual.

G. Only First-Class Mail letters, Periodicals, and Standard Mail items are authorized.

H. Meats, including preserved meats, whether hermetically sealed or not, are prohibited.

H1. Pork or pork by-products are prohibited.

I. Mail of all classes must fit in a mail sack. Mail may not exceed the following dimensions:

Length	
42"	72" length and girth combined
over 42" to 44"	24" girth
over 44" to 46"	20" girth
over 46" to 48"	16" girth
Maximum length	48"

This restriction does not apply to registered mail and official government mail marked MOM.

I1. This restriction does not apply to registered mail.

I2. This restriction does not apply to official government mail marked MOM.

J. Parcels may not exceed 108 inches in length and girth combined.

K. Mail that includes in the address the words, "Dependent Mail Section," may consist only of letter mail, newspapers, magazines, and books. No parcel of any class containing any other matter may be mailed to the Dependent Mail section. This restriction does not apply if the address does not include the words "Dependent Mail Section."

L. All official mail is prohibited.

M. Fruits, animals, and living plants are prohibited.

N. Registered mail is prohibited.

O. Personal mail addressed to vessels using this number is limited to unregistered First-Class Mail items and certified mail. Other classes of mail are prohibited.

P. APO is used for the receipt and dispatch of official mail only.

Q. Mail may not exceed 66 pounds, and size is limited to 42 inches maximum length and 72 inches maximum length and girth combined.

R. All alcoholic beverages, including those mailable under DMM C021, are prohibited.

R1. Materials used in the production of alcoholic beverages (i.e., distilling material, hops, malts, yeast, etc.) are prohibited.

T. Mailings of case lots of food and supplemental household shipments must be approved by the sender's parent agency prior to mailing.

U. Parcels must weigh less than 16 ounces when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped."

U1. Mail is limited to First-Class Mail weighing 13 ounces or less when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped." Videotapes are prohibited when addressed to Box R, regardless of weight.

U2. Mail is limited to First-Class Mail letters only when addressed to Box R.

U3. Mail is limited to First-Class Mail correspondence (including voice and video cassettes), newspapers, magazines, photographs, not exceeding 16 ounces, when addressed to Box R.

V. Express Mail Military Service (EMMS) not available from any origin.

W. Meat products, such as dried beef, salami, and sausage, may be mailed, provided they remain in their original, hermetically sealed packages and bear USDA certification. Other meats, bones, skin, hair, feathers, horns or hoofs of hoofed animals, wool samples, tobacco leaves, including chewing and pipe tobacco, snuff, cigars, and cigarettes, or obscene material, including obscene drawings, photographs, films, and carvings, are prohibited. Exception: 200 grams of tobacco per parcel are permitted duty free.

X. Personal mail is limited to First-Class Mail items (to include audio cassettes and voice tapes) weighing 13 ounces or less. This limitation does not apply to official mail.

Y. Mail is limited to First-Class and Priority Mail items only. All Periodicals, Standard Mail items, and Package Services items (including SAM and PAL) are not authorized. This restriction also applies to official mail.

Z. No outside pieces (OSPs).

Z1. The following restriction is applicable only to International Service Centers (ISC)/Exchange Offices. An Anti-Pilferage Seal (Item No O817E or O818A) is required on all pouches and sacks.

Missing Children Poster Display Instructions

Please display this poster prominently on bulletin boards in retail lobbies of main Post Offices™, classified stations, and branches. Operators of contract postal units may display this poster at their option.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information via broadcast fax. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators at fax numbers provided by district managers. Within 24 hours of receipt of a facsimile Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed for 30 days in Post Office lobbies, workroom floor areas, and other Postal Service facilities, unless notification is received (from NCMEC) to remove a particular poster sooner. The broadcast fax network is used to distribute posters and information in only the most urgent cases of missing and exploited children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 1-800-843-5678.

This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 1-800-843-5678.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative

expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

SPECIAL REWARD

up to \$100,000

A reward of up to \$100,000 is being offered by the U.S. Postal Inspection Service, Federal Bureau of Investigation, and U.S. Department of Transportation-Office of Inspector General for information leading to the arrest and conviction of the person(s) responsible for placing a vial of the poison ricin in the Greenville, SC, Post Office. The vial pictured below was accompanied by a threatening letter addressed to the U.S. Department of Transportation and was discovered at the Greenville Post Office on October 15, 2003.

The author(s) of this typed letter claimed to be a fleet owner of a tanker company and demanded that laws regarding hours of service regulations remain unchanged. On January 4, 2004, significant new federal regulations went into effect mandating more rest and orienting drivers toward a 24-hour work/rest cycle. Inside the envelope was a small, metal vial that contained ricin.

Metal vial:

Typewritten on the exterior of the envelope was the following warning:

caution RICIN POISON
Enclosed in sealed container
Do not open without proper protection

The following is a representation of the language contained in the threat letter.

to the department of transportation: I'm a fleet owner of a tanker company.

I have easy access to castor pulp. If my demand is dismissed I'm capable of making Ricin.

My demand is simple, January 4 2004 starts the new hours of service for trucks which include a ridiculous ten hours in the sleeper berth. Keep at eight or I will start dumping.

You have been warned this is the only letter that will be sent by me.

Fallen Angel

Public health information regarding ricin can be found at the Centers for Disease Control and Prevention Web site (www.cdc.gov)

Anyone with information should call 1-866-839-6241

A reward payment will be made in accordance with the conditions of U.S. Postal Service Reward Poster 296, *Notice of Reward*, dated February 2000.

Employees

LEVEL 15–18 POST OFFICES

Safety and Health Inspections

Employee and Labor Relations Manual (ELM) 824.33, PC Installations With Less Than One Hundred Workyears, requires an annual safety and health inspection of main facilities, subordinate stations, and branches. Installation heads (IHs) in facilities without full-time safety personnel, or their management designee, act as the collateral duty facility safety coordinator (FSC) (ELM 813.32, Collateral Duty Facility Safety Coordinator).

In offices with fewer than 100 employees, the FSC should lead the inspection (ELM 824.422, Inspection Rules). In offices with 100 or more employees in the main facility, the servicing safety office should conduct the inspection. However, the IH must ensure that subordinate stations and branches with fewer than 100 employees conduct their inspections.

Note: Headquarters will not be conducting any mailings. You can find the inspection checklists and inspection instructions on the Postal Service™ Intranet. Go to <http://blue.usps.gov> and click on:

- *Headquarters*,
- *Safety Resources* (under “Human Resources”), and then
- *Safety Checklists*.

For instructions, click on *Annual Safety and Health Inspection Letter of Instruction*. For the certification letter, click on *Safety and Health Inspection Certification*. Postmasters (PMs) or IHs in Level 15 through 18 Post Offices™ should contact their servicing safety office for technical or programmatic assistance.

The PMs/IHs, or their designees, must:

1. Complete a safety and health inspection using the checklist within 30 days of the date of this *Postal Bulletin* (1-22-04).
2. Post the inspection.
3. Ensure abatement of all deficiencies in accordance with the instructions.
4. Certify completion of the inspection to the servicing safety office.

Employee Resource Management, 1-22-04*

REMINDER

Post OSHA Injury and Illness Log

Installation/establishment heads should ensure that OSHA Form 300-A, *Summary of Work-Related Injuries and Illnesses*, is completed for calendar year 2003 and is signed by the facility manager. For information on completing the form, contact your local safety office. Post the form where employee notices are customarily posted by February 1, 2004. Keep the form posted until April 30, 2004. Sign and post the form even if no entries were made.

All documents (OSHA 300, OSHA 300-A, OSHA 301) must be retained in local files for 5 years. For each calendar year, keep the same calendar year documents together in a separate file folder. Complete the logs containing open cases at the end of any calendar year when a case is closed.

Pictorial Cancellations Announcement

As a community service, the Postal Service™ offers pictorial cancellations to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial cancellations are authorized appears below. If available, the sponsor of the pictorial cancellation appears in italics under the date. Also provided, as space permits, are illustrations of those cancellations that were reproducible and available at press time.

People attending these local events may obtain the cancellation in person at the temporary Post Office™ station established there. Those who cannot attend the event, but who wish to obtain the cancellation, may submit a mail order request. Pictorial cancellations are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial cancellation date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® post-

age. Items submitted for cancellation may not include postage issued after the date of the requested cancellation. Such items will be returned unserviced.

Customers wishing to obtain a cancellation should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL CANCELLATIONS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for cancellation, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial cancellation, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following cancellations have been extended for 30 days.

NOTICE

2004 Stamp Poster

In the centerfold, you will find a full-color poster featuring a reproduction of many colorful stamps scheduled to be issued, or remaining on sale, in 2004.

This year's program captures the drama and art in stamps found in the historic and rich paintings of Lewis and Clark, the colorful animation of Disney or Dr. Seuss, and the elegant sculpture of Noguchi. Mailers will want to save the collectible sheets of stamps featuring extraordinary objects of American Indian life, the natural majesty of various cloud formations, and the exotic world of Pacific Coral Reefs.

The following are in this year's program:

- *Lunar New Year — Year of the Monkey*
- *Black Heritage — Paul Robeson*
- *Love — Candy Hearts*
- *Wilma Rudolph*
- *Dr. Seuss*
- *Columbia University* stamped card
- *Wedding 1 and 2 oz. — Garden Blossoms*
- *United States Air Force Academy*
- *Henry Mancini*
- *Lewis and Clark Bicentennial* stamp
- *Lewis and Clark* prestige booklet
- *American Choreographers — Martha Graham, Alvin Ailey, Agnes deMille, George Balanchine*
- *Isamu Noguchi*
- *Harriton House* stamped card
- *2004 Olympic Games: Athens*
- *R. Buckminster Fuller*
- *James Baldwin*
- *American Treasures — Giant Magnolias* by Martin Johnson Heade
- *USS Constellation*
- *Art of the American Indian*
- *Cloudscapes*
- *Sickle Cell Disease Awareness*
- *Moss Hart*
- *Nature of America — Pacific Coral Reef*
- *Holiday — Santa Ornaments*
- *Christmas — Madonna and Child* by Lorenzo Monaco
- *Holiday Celebrations — Hanukkah, Kwanzaa, and Eid*

The stamps are tentatively scheduled for issuance in various months throughout the year. The issue dates, formats, denominations, and design elements are subject to change. We will announce the official date of issuance and design format for each stamp in the *Postal Bulletin* before its release.

HANDBOOK PO-701 REVISION

Motor Vehicle Accident Investigation

Effective January 22, 2004, subchapter 26 of Handbook PO-701, *Fleet Management*, is revised to clarify requirements and procedures for pursuing claims for damage to Postal Service™-owned or -leased vehicles (and related property damage or personal injury) caused by private parties.

We will incorporate these revisions into the next printed version of Handbook PO-701 and also into the online version of Handbook PO-701, which is available on the Postal Service PolicyNet Web site; go to <http://blue.usps.gov>; click on *More References*, then *HBKs*.

Handbook PO-701, *Fleet Management*

2 Vehicle Operations and Utilization

* * * * *

[Revise the title of subchapter 26 to read as follows:]

26 Motor Vehicle Accident Investigation

[Revise parts 261 through 263 in their entirety to read as follows:]

261 General

261.1 Scope

This section involves every aspect of vehicle accident investigation, except for the handling of tort claims filed against the Postal Service. Tort claims procedures related to accident investigation are covered in the *Administrative Support Manual*, Subchapter 250, and Handbook PO-702, *Accident Investigations — Tort Claims*.

261.2 Responsibility

261.21 Postal Service

The Postal Service will investigate motor vehicle accidents of any kind that involve its operations, with particular

emphasis on those in which a tort claim may be filed by or against the Postal Service.

261.22 Postmasters and Installation Managers

Postmasters and installation managers are responsible for the on-site investigation of all motor vehicle accidents occurring within their premises or operations and involving employees or Postal Service-owned or -leased vehicles.

261.23 Employee's Immediate Supervisor

The immediate supervisor of a driver involved in a motor vehicle accident while on-the-clock and/or in a status covered by the Federal Employees Compensation Act (FECA) must compile or obtain complete accident data. The related tasks include but are not limited to the following:

- Review Standard Form (SF) 91, *Operator's Report of Motor Vehicle Accident*.
Note: Postal Service drivers must complete SF 91 in its entirety at the scene of a vehicle accident, except when precluded by medical, safety, or security concerns.
- Review PS Form 1700, *Accident Investigation Worksheet*, completed by the accident investigator.
- Discuss the accident with the driver involved.
- Based on the discussion with the driver and on information reported on SF 91 and PS Form 1700, complete PS Form 1769, *Accident Report* (or an authorized alternative), and forward the form (or the authorized alternative) as required.
- Review the driver's on-duty driving record, determine whether any corrective measures are appropriate, and initiate action as warranted.
- Within 24 hours of the accident, send copies of the SF 91 and PS Form 1700 to the postmaster or installation manager (or the designee). Send the original

SF 91 and PS Form 1700 to the district tort claims coordinator. Also ensure that the district tort claims coordinator receives all photographs, witness statements, and/or police reports associated with the accident. Retain copies of all submitted materials.

262 Reporting Vehicle Accident Damage

262.1 Required Reporting

262.11 Postmaster or Installation Manager

The postmaster or installation manager (or the designee) must record the accident using PS Form 4564, *Postal Vehicle Accident Register* (or a similar softcopy record), and report to the vehicle maintenance facility (VMF) and to the district tort claims coordinator (for reporting via the Tort Claims Program) any motor vehicle accident involving the following:

- a. Injury to any person.
- b. Damage to non-Postal Service property.
- c. Damage to a Postal Service-owned or -leased vehicle or other Postal Service property.

262.12 VMF Manager

The VMF manager (or the designee) must also record the accident using PS Form 4564 (or a similar softcopy record). Consult instructions accompanying PS Form 1769 (or authorized alternative) for explanation of minor damage and normal wear-and-tear damage.

262.2 Review of PS Form 4564

The VMF manager (or the designee) must review PS Form 4564 (or a similar soft copy record) at least once each month and ensure that Postal Service vehicles are inspected and repaired promptly, and document repair and vehicle replacement costs in support of potential claims for damage caused by private parties to Postal Service-owned or -leased vehicles.

263 Claims for Private Party Damage to Postal Service Vehicles

263.1 Preparing Claims

263.11 Threshold for Recovery

When a private party damages a Postal Service-owned vehicle, or a Postal Service-leased vehicle that is under a contract making the Postal Service responsible for vehicle maintenance and repair, the VMF manager (or the designee) must promptly determine and document the cost of repairs and a temporary or permanent replacement vehicle. The VMF manager must provide these documented costs to the district tort claims coordinator (or the designee), who must initiate a claim for restitution when the amount of damage is estimated at \$100 or more and the accident inves-

tigation has established that the private party is at fault. (See Part 264 for damage to a Postal Service-owned or -leased vehicle caused by another government agency.)

263.12 Estimating and Documenting Repairs and Replacement

When the Postal Service bills a private party or the private party's insurer, the supporting statement must clearly itemize and identify the following, in a manner that will allow the debtor to reasonably audit the charges:

- a. Hours of labor. For completed repairs, use actual hours of labor. Preferably, prepare a claim upon completion of a repair, since documentation of actual costs will be available. For a claim based on pending repairs, use standard estimated repair times for type of vehicle and work required.
- b. Cost of labor. For repairs performed by the VMF, use the rate for warranty reimbursement most recently published in a Postal Service *Vehicle Maintenance Bulletin*. This rate includes both direct personnel and related overhead costs. For outsourced repairs, use the actual cost of labor charged to the Postal Service and include any specific additional costs incurred in the process, such as VMF employee labor or other resources used to tow the vehicle or perform other associated tasks.
- c. Cost of parts. Use the *actual* cost of parts, including shipping costs (if any). If parts are taken from Postal Service-owned or consigned inventory, use the current cost to the Postal Service to replace the part, rather than an average figure for all on-hand parts of the particular type.
- d. Replacement costs. The entitlement to damages for loss of use varies from state to state. If you are unsure of the law in your state, consult the General Counsel's National Tort Center. If the Postal Service vehicle will be temporarily unavailable for normal scheduled use, include in the claim an amount based on the scheduled days of service lost multiplied by the daily cost of a rented or leased replacement vehicle (if any). Where permitted by law, include such replacement costs in the claim even if the Postal Service does not acquire a rental or leased vehicle, in order to cover the operational costs of repositioning other vehicles, modifying employee schedules and assignments, and similar impacts caused by the non-availability of the vehicle. If the Postal Service vehicle was damaged so severely that it cannot be repaired, base the claim for any vehicle that is commercially available on the fair market value of the vehicle, minus the salvage value. When a Postal Service vehicle has been declared a total loss, make tempo-

rary-loss-of-use claims (where permitted by law) based on the cost of temporarily renting or leasing a replacement vehicle for a reasonable period of time.

Note: Some Postal Service right-hand-drive (RHD) vehicles, such as an LLV, not only are operationally critical but have unique design features and an unusually long period of expected use. As a result, the Postal Service can argue that there is no comparable commercially available vehicle that it can use to determine a fair market value. Therefore, if such a vehicle was destroyed as a result of private-party damage, the Postal Service can argue it incurred the full cost of the vehicle's replacement at the contract price of the most recently acquired Postal Service RHD vehicle.

263.13 Negotiating Settlements

Frequently, the Postal Service must negotiate damage claims. The Postal Service negotiator must consider various factors, including locally available commercial labor rates that are below Postal Service standard, market pricing of vehicles, state laws, local insurance industry practices, disputed liability issues, etc. If a private party or its insurer disputes issues such as full liability, the standard Postal Service labor rate, the value that the Postal Service places on a vehicle, etc., the Postal Service designee pursuing the claim should conduct the negotiations in the manner that best meets the Postal Service's interest in a fair and speedy recovery. In any situation in which a particular difficulty arises over legal issues, consult the General Counsel's National Tort Center for guidance or assistance.

263.2 Incomplete Collection

If a private party fails to pay or fairly negotiate a Postal Service claim, complete PS Form 1902, *Justification for Billing Accounts Receivable*, and forward it to the San Mateo Accounting Service Center. Consult the General Counsel's National Tort Center for assistance with affirmative claims when appropriate.

263.3 Acceptance of Payment

Based on the vehicle's assigned location, the appropriate personnel — the General Counsel, the San Mateo Accounting Service Center, or the district tort claims coordinator (or the designee) — shall accept payments in full settlement of claims for damage to Postal Service-owned or -leased vehicles, including vehicle damage debt claims, execution of releases of further liability, and the negotiation of checks and drafts bearing language having the effect of releases.

263.4 Adjustments to Claims

If a claim has been calculated incorrectly and submitted to a private party, the tender of payment identifying an overstatement of damage or costs, if justified, is not considered a compromise but rather an adjustment. The General Counsel, the San Mateo Accounting Service Center, or the district tort claims coordinator (or the designee), as noted in 263.3, handles such adjustments as payment in full satisfaction of the debt.

263.5 Compromise Settlements

A compromise offer is an offer to settle a vehicle damage claim for a lesser amount that is not based on a justifiable overstatement of damage or costs. Only the General Counsel, the San Mateo Accounting Service Center, or the district tort claims coordinator (or the designee) may accept compromise offers.

263.6 Offers in Kind

In case of damage to Postal Service-owned vehicles wherein the private party is responsible, the private party or the designated insurer may offer to reimburse the cost of repair of the damaged vehicle.

HANDBOOK M-32 REVISION

MODS Operation Numbers

Effective January 22, 2004, Handbook M-32, *Management Operating Data System*, Appendix A, is revised to reflect changes in the Management Operating Data System (MODS) program. These changes include the elimination of operation numbers, new operations for PARS, CIOSS, APPS, DBCS-EC, DIOSS-EC, UFSM 1000, and name changes for international operation numbers. All of these changes already have been incorporated into MODS.

We will incorporate these revisions to the appendix into the next printed edition of Handbook M-32 and also into the online version of the handbook, which is accessible at the Postal Service™ PolicyNet Web site; go to <http://blue.usps.gov>; click on *More References*, then *HBKs*.

Reward Offered for Ricin Investigation — Display Reward Poster in Customer Lobby Areas

The U.S. Postal Inspection Service, the Federal Bureau of Investigation, and the U.S. Department of Transportation — Office of Inspector General (DOT) are offering a reward of up to \$100,000 for information leading to the arrest and conviction of the individual(s) responsible for introducing a threatening letter into the mailstream, addressed to the DOT and containing the poison ricin. The letter was discovered at the Postal Service's™ Airport Mail Facility in Greenville, South Carolina, on October 15, 2003.

The author(s) of the typewritten letter claimed to be a fleet owner of a tanker company and demanded that laws regarding hours of service for truck drivers remain unchanged. On January 4, 2004, significant new federal regulations went into effect mandating more rest and orienting drivers toward a 24-hour work/rest cycle.

Inside the envelope was a small, metal vial that contained ricin, a white, granular, and potentially deadly poison. The author(s) of the letter claimed to be able to make large quantities of ricin and would use it if regulations on the new hours of service were not repealed by January 4, 2004. The letter was signed "Fallen Angel."

Anyone with information concerning the identity of the individual(s) responsible for writing this threatening letter should call 866-839-6241.

Please display the reward poster (see page 63) in customer lobby areas.

Postal Voyager Fleet Card Responsibilities and Tools — Upgraded

Additional tools are now available to assist Postal Voyager Fleet card site managers responsible for reconciliation and fraud prevention associated with the Postal Voyager Fleet card. Training is now available through the Fleet card web page at <http://blue.usps.gov/purchase/voyager/index.htm>; click *Self-Paced Training*. This training explains the history and operation of the Fleet card and provides instructions on how to manage and reconcile purchases made with the card.

The responsibility for reconciliation and fraud prevention continues to rest with each site manager; however, any individual charged with reconciling Fleet card activities must take this training and take the final examination. After individuals complete the training, the system automatically awards them with 1.5 hours of Voice of Employee (VOE) credit and automatically produces and presents a certificate to them after they pass the examination. It is the responsibility of newly certified individuals to submit their certification to the site's training coordinator for input into the National Training Database (NTD). The site manager must also take this training and subsequently complete and sign an accountability certificate, which must be kept on file. The system will produce these documents only after successful completion of the self-paced training test, with

copies maintained as long as the certified individuals continue to perform Fleet card maintenance duties. Newly assigned site managers or system reconcilers must also successfully complete this training and maintain these records.

Monthly reconciliation is necessary to detect and limit the possibility of fraud and misuse in Fleet card operations. If the responsible site manager fails to reconcile or delays reconciliation, millions of lost dollars may be lost at a time when the Postal Service™ must continue to improve and streamline revenue-generating and cost-controlling activities. This is why we have developed these tools and are emphasizing the need for each and every postmaster and vehicle manager to help keep these costs under control. We are constantly updating the Fleet card web page as information is being developed for Fleet card site managers. Individuals responsible for reconciling accounts should bookmark this web page and check it monthly for new information, procedures, hints, and guidance.
