Attention: (CEO).

PLEASE URGENT REPLY IS HIGHLY NEEDED.

Based on the information and commendation facts gathered concerning your name and your company's Profiles, I hereby wish to acquaint you with a business proposal that will be of benefit to both of us.

I am Mr. William Anderson, Chief Auditor, and Foreign Remittance Department, FIRST NATIONAL BANK OF SOUTH AFRICA (FNB). With due respect and regard I decided to contact you on a business transaction that will be very beneficial to both of us at the end of the transaction. During my investigation and auditing in this bank, my department came across a very huge sum of money belonging to a deceased person who died on November 2001 in a plane crash and the fund has been dormant in this Bank without claim either from his family or relatives. I personally kept this information secret within myself to enable the whole plans and idea be Profitable and successful during the time of execution. The said amount is (US\$53.5 Million) (FIFTY THREE MILLION FIVE HUNDRED UNITED STATES DOLLARS).

As you may need to know, all arrangements has been put in place to claim this fund as the next of kin to the deceased by getting the required approval so that the fund be transferred to a foreign account. So, I want the documents to be processed in your name as the next of kin and foreign beneficiary of the fund to enable us get the payment approval and transfer the fund to any of your oversea account. In fact, I could have done this deal alone but by virtue of my position in this country as a civil servant, we are not allowed to operate a foreign account and could eventually raise a red-flag if I should try to do it alone. That is why I need a second party to forward information as the next of kin and I will arrange and perfect the process at the bank here so that the fund be released and transferred to foreign account. For your information, the transaction is 100% risk free. Upon smooth conclusion of this transaction, you will be entitled to 20% of the total sum as gratification, while 5% will be for reimbursement of incurred transfer costs, while 75% will be for my investments in your country.

Kindly note that this transaction should be kept top secret as I am still in service and intend to resign from my work soon after this transaction is concluded. All other information and arrangements will be sent to you when I hear from you. If you wish to handle this deal with me, you should get back to me as urgent as possible.

Yours faithfully,

Mr. William Anderson
