

My name is General William S. Wallace, the former United States Army Training and Doctrine Command (TRADOC).

Actually, I acquired 17.3 Million US Dollars from an oil business I did in Iraq with an Iraqi citizen. I need a good partner who I can trust to assist me in receiving the consignment on my behalf.

All arrangement to bring out the consignment from Iraq have being concluded with a United Nations diplomat. I need someone who can receive it since I cannot receive it directly due to my status. I am offering you 20% of the total sum for your assistance and the 80% will be transferred to my account which I will instruct you in my next email to you on how it will be transferred to my account.

Your own part of this deal is to find a safe place where the funds can be sent to. If you are interested I will furnish you with more details. But the whole process is simple and we must keep a low profile at all times. The best mode of communication to me is through email. I look forward to your reply and co-operation, and I thank you in advance as I anticipate your cooperation waiting for your urgent response.

Thanks for your understanding.

Best Regard,
Gen William S. Wallace (RET)
