Greetings to You email Owner.

You may wonder why I am reaching out to you in spite of friends that I have known for years, the singular reason is that I have by the very nature of this proposition and the required confidentiality decided to deal with a person that I have not known before so that we can develop the trust and execute this transaction without a third person knowing. I would not have used this medium (Internet) but I chose to reach you through it because it is the fastest, surest and most secured medium of communication. However, this correspondence is un-official and private, and it should be treated as such.

I also guarantee you that this transaction is hitch free from all what you may think of. I am Mr. Charles Mills, working with Barclays Bank, *Willesden Green Branch* here in United Kingdom. I am contacting you based on Trust and confidentiality that will be attached to this transaction. The Management and the Legal department of our bank in a recent meeting recommended that the account of Mr. Philip Carlos, United State of American Citizen, who was one of my branch depositors, should be declared Dormant, confiscated and the depositor's fund sent to the Bank Treasury according to United Kingdom Banking and financial law. Mr. Philip Carlos and the wife and only son, died in World Trade Center as a victim of the September 11, 2001 incident that befell the United States of America.

The bank has made series of efforts to contact any of the relatives to claim this money but without success. Mr. Philip Carlos is an account holder in my branch; he owns a Pounds account with the sum of Seven Million Five hundred thousand British Pounds (£7,500 000.00) deposited in a Secret account with my branch In fact, since his death, no next of kin of the account holder nor any relative of him has shown up for the claim, this is because he has the account as a secret account thus he left all the documents for the deposit with me. The wife whom he signed in as his next of kin died with him on that fateful and sad day. This is where I am interested and where I want you to come in. I want you to come in as a business associate of the deceased standing as the next of kin; I will give you the relevant documents and contacts to file the application and then effect the approvals for the transfer of the funds, I will be the one to provide the vital information for the claims of the money and then advise you exactly how we should handle it. Please reply with the below details if you are interested and I will give you more information as soon as you indicate your willingness to assist in this transaction:

(1). Your Full Names: **(2).** Your Cell phone Number: **(3).** Your Home address: **(4).** Your Date of Birth:
(5). and Your occupation. **(6).** Country of Origin:

I will use my position as the account manager to get all internal documentations to back up the claims. Do not be bothered that you are not related to him as I am in position to affix your name as the next of kin. The whole Procedures will last only 4 to 7 working days to get the fund retrieved successfully without trace even in future. After the transfer of the money we shall share the money 50-50, which is I will have 50% while you will have 50%. Kindly respond promptly so I can advice you on the next step to follow.

I will be waiting to hear from you.

Thank you for your understanding.
