

Hello Dear,

I am writing this mail to you with tears and sorrow from my heart. With due respect , trust and humanity, I appeal to you to exercise a little patience and read through my letter I feel quite safe dealing with you in this important business having gone through your remarkable profile, honestly I am writing this email to you with pains, tears and sorrow from my heart in my hospital bed, I will really like to have a good relationship with you and I have a special reason why I decided to contact you, I decided to contact you due to the urgency of my situation, My name is Donald Smith, 50 years old from the Netherlands.

I am suffering from a long time cancer of the Lungs, from all indication my conditions is really deteriorating and according to my doctors they have advised me that I have few months to live ,this is because the cancer stage has gotten to a very bad stage. I was brought up from a motherless babies home, was married to my late Wife for twenty years without a child. My Wife later died in a fatal accident. Before her death we were true Christians and we helped the poor and the less privileged ones.

I decided not to re-marry; I sold all my inherited belongings and deposited the sum of \$ 18 Million Dollars. {Eighteen Million Dollars} with a Security Company. Presently, this money is still with them and the management sent an email to me as the true owner of the fund to come forward to receive the money or I should issue a letter of authorization to somebody to receive it on my behalf since I cannot come over because of my illness.

Presently, I'm with my laptop in a hospital where I have been undergoing treatment for cancer of the lungs. I have since lost my ability to talk and my doctor told me that I have a few months to live. It is my last wish to see that this money is invested to any organization of my choice and distributed each year among the charity organization, the poor and the motherless baby's home where I come from.

I want to do all this before I rest in peace because my time will soon be up. And this is why I am contacting you to help me claim the money and help me carry out my instructions.

As soon as I receive your reply I shall instruct you on what to do.

I hope to hear from you soon, have a nice day

God bless you,

Yours Faithfully

Mr. Donald Smith
