From the office of the Accountant General

Attn: Intended Partner,

I would like to firstly send you my greetings for today. Before going into details, I must first solicit you to treat this issue with confidentiality, strictly for the safety of my job. I strongly believe on your sincerity and reliability on issues involving financial matters which requires maximum confidentiality. My reason of contacting you is for your urgent acceptance in re-profiling and receiving fund totaling to \$5,500,000 (Five Million Five Hundred Thousand United States Dollars).

My name is Ms. Brenda Nandipha Mgobhozi, the accountant and audit manager in charge of payment of South African Power Ball Stake.

The above stated amount \$5,500,000 (Five Million Five Hundred Thousand United States Dollars) was mapped-out for payment to a winner (unknown), which my office has waited for me to approve the payment to the winning beneficiary. I finally discovered that the Powerball Stake was played by a British tourist (a woman) who died recently after being thrown from the basket of a hot air balloon as it was struck by high winds during a safari holiday here in my country (South Africa). She secretly played this Powerball and won the above price. Her family members, including her husband never knew about this and the fund was unclaimed since the draw came-out. As the accountant responsible for computing & authorizing payments, I have already been questioned several times on why the money has not been credited to the winner. Having full-knowledge of the fact that the winner has been deceased, I kept lying to my directors about the reasons. I was ever since then trying to source-out a possible way to find another person whom I can remit this fund to her account overseas as the fund beneficiary. With my position in office, I have all the details of the Powerball and have what it takes to approve the payment.

I am contacting you to provide me with your requested details with which to process this payment to your bank account thereafter we can share the amount on a mutually agreed-upon percentage of 50% to me and 50% to you. All I require is your details; honesty and co-operation to enable us see this payment through. This is 100% legal, and the fund has history and will be executed under a legitimate arrangement that will protect you from any breach of the law. I must use this opportunity to implore you to exercise the utmost indulgence to keep this matter confidential. You can browse on the below page and read the news about the death of the woman who played the Powerball; <http://metro.co.uk/2016/10/28/british-mum-killed-after-falling-from-hot-air-balloon-in-front-of-family-6219667/>
