### BENEFITS DELIVERY AT DISCHARGE

## BENEFITS DELIVERY AT DISCHARGE (BDD)

If you are separating from active duty within the next 60 to 180 days, BDD can help you receive VA disability benefits sooner.

### WHAT IS BENEFITS DELIVERY AT DISCHARGE?

The Benefits Delivery at Discharge (BDD) Program allows a servicemember to apply for disability compensation benefits from the Department of Veterans Affairs (VA) prior to retirement or separation from military service.

### HOW CAN BDD HELP ME?

BDD is offered to accelerate receipt of VA disability benefits, with a goal of providing benefits within 60 days after release or discharge from active duty. BDD allows a servicemember with at least 60 days, but not more than 180 days, remaining on active duty to file a VA disability claim *prior to* separation. BDD requires a minimum of 60 days to allow sufficient time to complete the medical examination process (which may involve multiple specialty clinics) prior to separation from service.

### HOW DO I GET STARTED?

Submit [VA Form 21-526](#), or [VA Form 21-526e](#), *Veteran's Application for Compensation and/or Pension*, and submit it to the nearest VA Regional Office. You can also complete your application online using [Veterans Online Application \(VONAPP\)](#). For the VA Regional Office nearest you, call the VA toll free number at 1-800-827-1000. Submit your service treatment records. Either your original records or copies are acceptable. Attend and complete all phases of your VA/DoD medical separation examination process.

### WHAT ELSE SHOULD I KNOW?

BDD is a time-sensitive process. To receive your VA disability benefits within the goal of 60 days following separation, you must submit your claim 60 to 180 days prior to your release or retirement from active duty. This time is needed to complete your medical examinations before you leave your point of separation. If you are closer than 60 days to separation from service, you can submit a [Quick Start claim](#).

Disabilities determined by VA to be related to your military service can lead to monthly non-taxable compensation, enrollment in the VA health care system, a 10-point hiring preference for federal employment and other important benefits. Ask your VA representative or Veterans Service Organization representative about Disability Compensation, Pension, Health Care, Caregiver Program, Career Services, Educational Assistance, Home Loan Guaranty, Insurance and/or Dependents and Survivors' Benefits.
