Introduction

There are more and more people joining the ranks of World of Warcraft every day. Nobody can get enough of this game and there are plenty of reasons why. In WoW, you can escape the realities of everyday life. Just relax, do a few dailies to make a little gold, and just have fun with friends - not a bad way to spend an evening. And as you do this, you'll naturally make gold over time.

However, there may come a time when you want to get a little more out of the time you spend in the game. There are items that cost 20,000 gold, and surely you want those items. This means that in order to get the most out of your WoW experience, you'll have to make gold as quickly as possible.

The Basics

But how do you do this? There are several things to keep in mind when trying to make gold quickly in WoW by doing dailies. You probably already know that daily quests award you with gold for completing them. And initially, in WoW, items do not cost that much gold to purchase. But eventually, the items become very expensive, especially the best of the best items you'll want to get when you hit level cap. So, you need a game plan to be able to afford all the items you want, if you want them before the end of time.

Focus on Gold

When you want to build up a stockpile of gold quickly in WoW, you have to supplement your regular activities with activities designed specifically to make you a lot of gold. Doing dailies is a great way to make a lot of gold quickly. All daily quests pay out gold when you complete them. The key is to pay attention to the amount of gold each daily rewards you with when you complete them. You should

also take time into consideration when trying to make gold fast in WoW using dailies. If you can make 200 gold, but it takes you 5 hours to do it, that's not very much gold per hour. There are good ways to make a lot of gold per hour, such as optimized speed gold dailies runs.

There are guides available that will lead you step-by-step through completing speed gold dailies runs, among other cool things. Zygor's Dailies & Events Guide is one of those guides.
