

CSGAS-71

29 April 1949

Major General J. O. Manborgne United States Army, Retired 96 Battin Road Fair Haven, New Jersey

Bear Sir:

Inclosed herewith is a copy of a patent issued on application for patent serial number 478,868, naming you and William F. Friedman as coinventors, for System for Engineering Pacsimile.

You may recall that, in view of the conditions under which the invention was made and the application for patent filed, you and Mr. Priedman are entitled to exploit the invention commercially in any manner possible subject to an irrevocable free license to the Government covering the manufacture and use of the invention for Governmental purposes.

Very truly yours,

1 Inel Cy Patent #2,465,367 S. KULLBACK, Chief
Pessarch and Development Division
